

Dear Valued Customers,

The Ohio State Governor, Mike DeWine ordered a Stay at Home Order for all non-essential businesses in Ohio effective March 23, 2020 at 11:59 PM to reduce the spread of the Coronavirus (COVID-19).

As the Preferred Print Provider of signage, documents, publications and mailings to the local hospital, medical, financial, government & first responder community we are deemed an essential support business. **Currently, Metzgers remains open for business and is operating at normal capacity and well positioned to meet your needs.**

During the Stay at Home Order please contact your sales rep who will assist you with any current or future orders.

Metzgers is committed to continue providing exceptional service and products to our customers during this challenging time. We can assure you that we are remaining extremely proactive, taking all necessary steps to protect our teammates and ensure that they can continue to work safely.

We will continue to monitor the situation as we navigate through these uncharted waters. Metzgers is following all recommendations from the CDC and WHO as well as those from the State & Federal Government, so we can do our part in preventing the spread of COVID-19.

Our thoughts and prayers go out to everyone impacted by COVID-19. As we face the uncertainty of the current moment, one thing for sure is that **we are all in this together.**

Thank you for your continued support. We already miss you all, and once this setback passes we look forward to seeing everyone again.
